Dear Sir:

The Applicant, through its representatives and attorneys, hereby brings to the attention of the examiner the documents identified on the accompanying Form PTO/SB/08. Copies are provided of the cited documents with machine translations and/or U.S. equivalents. This submission is timely in that it is made prior to a first action on the merits of this application.

This will also certify that each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement. Specifically, these documents were cited in an Action of October 24, 2006 in the Applicant's corresponding priority application. As indicated, machine translations for each of the Japanese language documents are provided.

It should be noted that US 6 711 345 is said to be an English equivalent for the Japanese language International Application WO 99/52100.

Please take these documents into account in the initial examination of this application together with the information in the background portion of the specification as filed at pages 1 and 2.

Dated: January 24, 2007
